2<sup>nd</sup> October 2023

Dear Steven and Claire,

I would like to express my most sincere thanks for your attendance and participation at the launch of the MV Lady Jean on Friday at the Historic Dock in Portsmouth.

It was a wonderful day to celebrate and name this new ship which will play such an important role in providing vital medical care to the people on remote and isolated islands on Lake Victoria.

We are incredibly grateful for all the support that SWJ Maintenance has provided to make this project possible. We do not underestimate the amazing efforts of everyone involved in the extensive work that has been undertaken to transform this patrol ship into a wonderful medical facility which will greatly enhance the work being carried out in Tanzania.

It was a real joy to visit the ship and see the incredible transformation that has taken place to the over the past few months. None of this would have been possible without your invaluable support, kindness and generosity. On behalf of Vine Trust and our partnership programme in Tanzania, I thank you for all you have done and for helping make this project a reality.

With many thanks

Your sincerely,

A handwritten signature in black ink, appearing to read "Kenny Holt".
